Hymns

1 And now, O Father, mindful of the love

That bought us, once for all, on Calvary's tree,
And having with us him that pleads above,
We here present, we here spread forth to thee
That only offering perfect in thine eyes,
The one true, pure, immortal sacrifice.

2 Look, Father, look on his anointed face,

And only look on us as found in him;
Look not on our misusings of thy grace,
Our prayer so languid, and our faith so dim;
For lo, between our sins and their reward
We set the Passion of thy Son our Lord.

3 And then for those, our dearest and our best,

By this prevailing presence we appeal;
O fold them closer to thy mercy's breast,
O do thine utmost for their souls' true weal;
From tainting mischief keep them white and clear
And crown thy gifts with grace to persevere.

4 And so we come: O draw us to thy feet

Most patient Saviour, who canst love us still;
And by this food, so awful and so sweet,
Deliver us from every touch of ill:
In thine own service make us glad and free,
And grant us nevermore to part from thee.

Amazing grace

How sweet the sound
That saved a wretch like me
I once was lost, but now I'm found
Was blind, but now I see

'Twas grace that taught my heart to fear

And grace my fears relieved
How precious did that grace appear
The hour I first believed

My chains are gone

I've been set free

My God, my Savior has ransomed me

And like a flood His mercy rains
Unending love, Amazing grace

The Lord has promised good to me

His word my hope secures

He will my shield and portion be

As long as life endures

My chains are gone

I've been set free

My God, my Savior has ransomed me

And like a flood His mercy rains
Unending love, Amazing grace

My chains are gone
I've been set free
My God, my Savior has ransomed me
And like a flood His mercy rains
Unending love, Amazing grace

The Earth shall soon dissolve like snow

The sun forbear to shine

But God, Who called me here below

Will be forever mine

Will be forever mine

You are forever mine

Sing hosanna, sing hosanna

Sing hosanna, to the King
